(Invitation to Bid No. 2408, S. 2024)**

To : All Bidders  
: Members, BAC & TWG  
: Others Concerned

Relative to the Supply, Delivery and Construction of Distribution Lines and Installation of Kwhr Meter, Service Drop Wires and House Wiring Materials in Three (3) Barangays (Brgy. Buaya, Brgy. Alipata and Brgy. San Fernando) in Sicogon Island, Carles, Iloilo (Turn Key), published/advertised on October 21, 2024 in ILECO 3 and NEA websites, likewise, on October 21, 2024 in The Manila Times, please be informed of the following amendments, revisions, modifications and clarifications to the Invitation to Bid No. 2408, S. 2024 "Supply, Delivery and Construction of Distribution Lines and Installation of Kwhr Meter, Service Drop Wires and House Wiring Materials in Three (3) Barangays (Brgy. Buaya, Brgy. Alipata and Brgy. San Fernando) in Sicogon Island, Carles, Iloilo (Turn Key)" as discussed during the Pre-Bid Conference held last October 30, 2024 at 2:00 in the afternoon:

1. The Bill of Materials shall be per Barangay.
2. For SDI or new connection, the contractor must be the one to provide the steel casing. For rehabilitation, ILECO III will be the one to provide the steel casing.
3. The bidder shall include in the Technical Documents all Certifications required in the Terms of Reference.
4. The contractor must submit all necessary documents including the manufacturer's test result of distribution transformer to be submitted to NEA.
5. The required level for Safety Officer is Safety Officer 2.
6. Similar contracts are contracts for construction of distribution lines and installation of kwhr meters, service drop wires and housewiring materials, in a single project, within the last two (2) years, or from 12 November 2022, for isolated/off-grid islands especially in Western Visayas or the Visayas Region.
